SAFETY

In the field or in the office, safe behavior is critical to the overall well-being of Kleinfelder's employees, partners, clients, and the community at large. It is also key to the success of our projects, our client relationships, and the health of our company. Our employees benefit from Kleinfelder's safety culture because it promotes a high quality of life, at work and at home.

CORPORATE SOCIAL RESPONSIBILITY

Kleinfelder serves our clients, our people, and our communities. Our collective desire to leave a lasting, positive influence has been woven into our business model that's tailored to address our communities' most pressing issues. We focus on five essential pillars: health and safety; diversity, equity, and inclusion; volunteerism; disaster relief; and sustainability.
